Arts, Culture and Museum Advocacy

Wednesday, January 16, 2008 • 11:00AM
Pueblo Grande Museum, Phoenix

State activities such as Arts Congress and Museums on the Mall, and national programs like Arts Advocacy Day and Humanities on the Hill, make Spring the time for arts, culture and museum advocacy!

Join in a discussion with Arizona Citizens for the Arts Executive Director Brenda Sperduti, Museum Association of Arizona President Tom Wilson and other cultural leaders, to discover how and where to communicate your message to legislators and other authorizers.

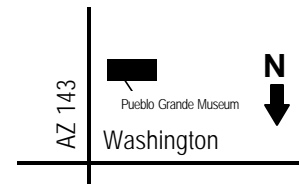

This meeting will help engage members and prepare the field to meet with their legislators at Arts Congress, Arizona Library Legislative Day and Museums on the Mall!
